

A full-page photograph of two men standing side-by-side outdoors. The man on the left is wearing a grey suit with a red tie, and the man on the right is wearing a blue suit with a blue tie. They are both looking towards the camera. The background features palm trees and a building.

THE FACES OF COSMETIC & RECONSTRUCTIVE SURGERY

Dr. Mark Walsh, F.A.C.S is a board-certified plastic surgeon specializing in cosmetic surgery and reconstructive surgery of the face, breast and body. Previously on faculty at Emory University for 11 years, Dr. Walsh authored multiple books and journal articles. He has also received special recognition for both patient care and teaching.

Dr. Andrew Bonett is a board-certified plastic surgeon specializing in cosmetic and reconstructive surgery with a special interest in reconstruction after skin and breast cancers. During his time at Chicago's Rush University, Dr. Bonett worked with multiple university programs to develop their curriculum and institute a new integrated residency program.
